Say E,

Well what can I say, you will be graduating and going to college but to hope that you do your best in all that you do. And good luck in the future. I know we have ~~our~~ good days at times but you know my argument will always win! Just remember what I said if you ever need someone to talk to I'm will always be here for you, through good times or bad. I know what if we ever drift apart I will never forget the times we spent together but I hope we will never be apart. But never dwell on the past. Well good Luck!

Love Ya!
Shawta

Now remember
me the girl at the party
Have a great summer and
be glad to my friend!
(Say you love me)
Appy ~~remember~~ # me by that Shena

Jay R.

You are the craziest person I know. I have gotten a chance to know you this year. I'm glad, because now I really know how crazy you are. (Thomas always used to tell me that you were, but I never believed him cause I thought you was this quiet little thing). We all know that ain't true. I can always talk to you no matter what mood I'm in. I'll never forget C's Party. That was funny. Remember what I asked you. When you said, "I don't know," I laughed so hard. Jay R. you make me laugh. You a pleasant person to be around with. Sharita's a lucky girl. I know I'll see you this summer. So I know I won't miss you. I'll probably see you with Thomas as I usually do. I hope you and Sharita stay together.

Love U Lots,
Jennifer

P.S.
Good luck with school & everything.
I'll miss you & Thomas a bunch. Say hi to my cuz 4 me. (Peace Out).

Foreign Exchange Students

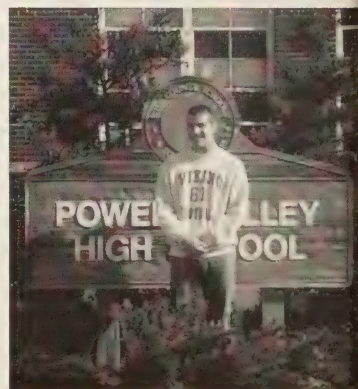

Mariana Nicutsa

Oliver Fredrich

This year Powell Valley hosted two foreign exchange students. Oliver Fredrich was from Germany and Mariana Nicusta was from Russia. Both being from large cities, they did not expect Big Stone Gap to be so small. They both agreed they enjoyed the peace and quiet of the mountains. Oliver summed up the subject of being homesick by saying "Homesickness is a part of it all. You get used to it." One dislike that Mariana had was the problem with drugs. She said, "I saw drug abuse a lot in my home country and did not think that drugs would be a problem in a small town." Oliver, like many other students, did not enjoy the length of class periods. School seemed to be easier for both students here at Powell Valley. Being impressed by many things in America, Mariana likes the independence that teenagers have. Oliver has found that one advantage of living here is the refills at McDonald's. "In my home country, nothing is free," Oliver stated. Mariana has found the evening sitcoms on television a way to spend her spare time. Oliver's time, however, was mostly spent at football practice and doing homework. We hope they found their experience here at PVHS a memorable one. We were honored to share the 1995-96 school-year with them.

Homecoming week was a special time of the year. For this one isolated week the halls were draped with red, white, and blue. During the week, the student body selected the attendants for the royal court. On Friday night an anxious crowd watched as Jennifer Chafin and Danny Stickel, last year's queen and escort, crowned Brandy Whitt and Brad Stanley the new heirs to the throne.

CLUB

The Key Club is a non-profit community service oriented club. Working close with the local Kiwanis Club, we are involved each year in several projects that are designed to help us serve both school and community. In the fall of the year, the Kiwanis sponsor a "Kid's Day" at Carnes Gym. This activity brings joy to a number of handicapped and disabled children. Other major projects occur at Christmas time. These include delivery of food baskets to the needy and selling Christmas trees alongside the Kiwanis Club. We also participate in a highway clean-up project. Key Club members appreciate the support given by the Kiwanis Club.

IN LOVING MEMORY

This year Powell Valley High School experienced a great loss of one its staff members. Words cannot begin to describe the type of man Larry Cornett was. Mr. Cornett left the faculty and student body with very fond memories. He was not only a teacher but a friend to anyone whose life he touched. Mr. Cornett would always take time out of his busy schedule to talk to a student or anyone who needed his guidance. No matter how bad a day one was having, he would cheer up our life with his smile and witty sense of humor. From this great loss the senior class has grown closer together. Friends were there to comfort one another. Mr. Cornett will be greatly missed by everyone who had the honor of knowing him. For those who are strong in their faith, we must always remember that one day we will be reunited with the beloved Mr. Larry Cornett.

“FRIENDS”

God gives us friends to comfort us in our
time of need

They bandage our wounds even if they
do not bleed

Friends are always around when you need
someone to talk to

They cheer you up when you feel sad
and when you feel blue

If you need a hug, look to your friends,
they'll never turn their backs on you

Friends lift you from the deepest canyons
into the highest hot-air balloons

Whenever you're feeling down and need
to see a friendly smile, just reach into
your heart and pull that magic lever
Because these four words my friends are
true,

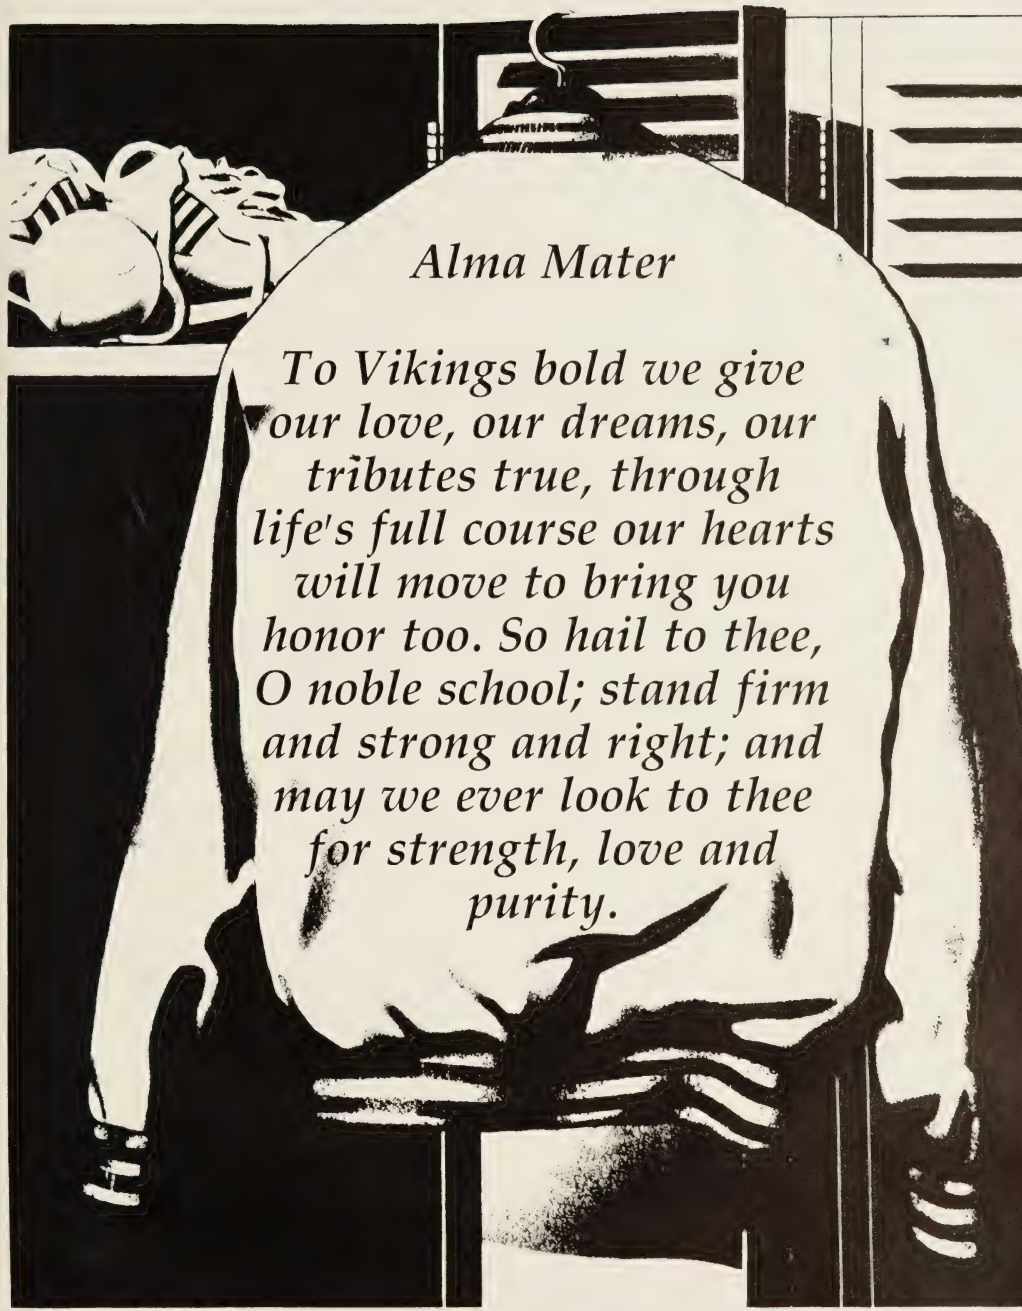

FRIENDS ARE FRIENDS FOREVER!

— Heather Marie Bledsoe

WE LOVE YOU!

may we ever look to thee
for strength, love and
purity.*
